

Are you a team player?

Do you thrive in a fast paced, growing work environment?

Do you have a high attention to detail and like things being “done right the first time”?

If you are, come join our team.

We are looking for an individual to fill our role of **Production Assistant**.

Pitura Seeds has been providing quality seed to farmers for over 70 years. Based in Domain, Manitoba, the company is fully integrated as a seed grower, processor, retailer and end-use contractor. Driven to lead the next generation of on-farm innovation, Pitura Seeds erected a state-of-the-art seed processing facility in 2019, and developed new production partnerships, putting farmers at the forefront of the plant protein economy. Pitura Seeds is proud to be a family-owned and run business that supports the communities it serves.

Responsibilities include:

- Operation of our two state of the art seed cleaning facilities.
- Movement of grain with semitrailers at our location and pickup delivery from other seed plants in Manitoba
- Seed plant equipment repair and maintenance
- Treating seed and servicing customers as they pick up their seed
- Field and equipment operations

Qualifications

- Class 1 licence
- Mechanically inclined
- Ability to work independently or as part of the team
- Strong organization skills

Preference will be given to individuals with prior experience working on a seed farm, but we are willing to train. To apply, please forward your resume to Marcos D’Avila at marcos@pituraseeds.ca. Check out our website at www.pituraseeds.ca
