

Sales Agronomist

Pitura Seeds:

Pitura Seeds has been providing quality seed to farmers for over 70 years. Based in Domain, Manitoba, the company is fully integrated as a seed grower, processor, retailer and end-use contractor. Driven to lead the next generation of on-farm innovation, Pitura Seeds erected a state-of-the-art seed processing facility in 2019, and developed new production partnerships, putting farmers at the forefront of the plant protein economy. Pitura Seeds is proud to be a family-owned and run business that supports the communities it serves.

The Opportunity:

We are looking for an experienced Sales Agronomist to join our team. Reporting directly to the Sales Manager, responsibilities would include developing and growing customer relationships. Our customers mean everything to us, and we want to make sure we are supporting them in every way possible to ensure they have a successful crop. This includes providing agronomic support, crop scouting and access to our seed expertise. This individual will also work with our team to help build and support the marketing plan.

Knowledge and Skills:

- Minimum 5 years ag retail experience
- Agriculture Degree or Diploma
- Strong agronomic knowledge and/or experience
- Excellent verbal, written and interpersonal communication skills
- A good understanding of excellent customer service

If you are interested in working for a growing company that maintains family values and has a focus on success, "Apply Now". We'd love to hear from you!
