

Position: **Summer Student/Seasonal Position**

Term: March-Sept 2023

Pitura Seeds has been providing quality seed to farmers for over 70 years. Based in Domain, Manitoba, the company is fully integrated as a seed grower, processor, retailer and end-use contractor. Driven to lead the next generation of on-farm innovation, Pitura Seeds erected a state-of-the-art seed processing facility in 2019, and developed new production partnerships, putting farmers at the forefront of the plant protein economy. Pitura Seeds is proud to be a family-owned and run business that supports the communities it serves.

We are looking for a dynamic individual to fill a summer position with the opportunity for full time employment. The position reports directly to the Sales Manager, however they will be working with operations during the spring busy season, along with the opportunity to support customers with agronomic services throughout the crop year.

Qualifications:

- Ambitious, organized and detail oriented
- Ability to work independently or as part of the team
- Strong communication and interpersonal skills while working with customers
- Students or graduates of an Agriculture Degree or Diploma Program would be an asset
- An agriculture background is preferred
- Experience operating and maintain agriculture equipment preferred, but not requirement
- Valid driving licence and the ability to operate different types of vehicle

Preference will be given to individuals with prior experience working on a seed farm, but we are willing to train. To apply, please forward your resume to Laird Lampertz at [laird@pituraseeds.ca](mailto:laird@pituraseeds.ca). Check out our website at [www.pituraseeds.ca](http://www.pituraseeds.ca)
