Do you have a green thumb?

Do you enjoy working outdoors?

Do you have a high attention to detail and like things being “done right the first time”?

If you are, come join our team.

We are looking for an individual to fill our role of **Summer Yard Care**.

Pitura Seeds has been providing quality seed to farmers for over 70 years. Based in Domain, Manitoba, the company is fully integrated as a seed grower, processor, retailer and end-use contractor. Driven to lead the next generation of on-farm innovation, Pitura Seeds erected a state-of-the-art seed processing facility in 2019, and developed new production partnerships, putting farmers at the forefront of the plant protein economy. Pitura Seeds is proud to be a family-owned and run business that supports the communities it serves. Located 25 minutes south of Winnipeg at Domain MB, the individual would be reporting directly to the Farm Manager.

Responsibilities would include:

- Upkeep of the lawn, flower beds and garden
- Treeline pruning, watering and tilling
- Yard gravel maintenance and spreading
- Building upkeep and maintenance

Qualifications

- Class 5 license
- Experience driving lawn mower and other small equipment
- Background in horticulture
- Ability to work independently or as part of the team

To apply, please forward your resume to Connor Pitura at connor@pituraseeds.ca. Check out our website at www.pituraseeds.ca
